

GLOBAL MEDICAL CARE™

Access to the **best medical care** worldwide

OPTIONAL RIDERS FOR GROUP PLANS

Choose any of these additional riders to enhance your group coverage.

Annual Executive Medical Assessment Rider

This rider offers **100%** coverage for an extensive medical assessment for members at approved clinics. Service must be pre-approved by Best Doctors Canada Insurance. (Not available for dependents.)

Available with four deductible options:

Deductible Options	Cost
\$0	\$1,450
\$250	\$725
\$500	\$425
\$750	\$250

(*)An additional \$1,000 deductible will apply to use Prota Clinic, Manitoba.

Contact us at canada@bestdoctorsinsurance.com or at **1.855.667.4028** for a list of approved clinics.

Lower Diagnostic Deductible Rider

Cost: 7% of base premium

Separate **\$250** deductible for diagnostic tests. Available for plans with deductible \$500 and up.

Travel Rider

Cost: 5% of base premium

When receiving medical treatment more than 320 km from home, this rider offers up to **\$5,000** a year to pay for transportation to and from point of service and accommodations while receiving treatment.

Enhanced Outpatient Drugs Rider

Cost: 5% of base premium

This rider increases coverage up to **\$45,000** a year for outpatient prescription drugs.

Conversion Rider

Cost: 25% of base premium

Conversion to an Individual Plan is available for **eligible employee, spouse, and dependent children** who have been covered for two years or more on a continuous basis from the date first eligible (without any interruption in benefit coverage).

Zero Waiting Period for Pre-Existing Conditions Rider

Cost: 20% of base premium

Exclusive rider for groups of **50+ employees**, that covers pre-existing conditions from day one. The benefit is conditional upon two medical questions on a separate form completed by all employees.
